RE: Long Term Relationship Agreement (LTRA)

On November 12, 2019 a Long Term Relationship Agreement was reached and signed between Ginoogaming First Nation and the Greenstone Gold Mines.

As a result of this agreement there is an Execution Payment for Ginoogaming First Nation which will be allocated to all the Band members. Each band member will receive a one-time payment and each registered child will have a trust account opened for them under the Timber Claim Trust agreement. The trust fund will mature at the age of 18. Please; if your child is not registered within 365 days effective November 12, 2019 the distribution payment will be forfeited.

We are requesting that you provide your current address and which method of payment you prefer, direct deposit or cheque and inform the Timber Claim Trust staff. They will be issuing cheques and direct deposits and will also be at the Christmas parties in Thunder Bay and Hornepayne so that you can give this information to them. If you do not attend any parties you can send or drop off at the Timber Claim office. We would like to have all payments processed by the 18th of December.

Miigwetch and have a Merry Christmas
