MANITOBA OUTLINES NEW CONSULTATION PLANS FOR MINERAL DEVELOPMENT

Winnipeg Sun – May 31

The new road map is said to be used to guide all phases of mineral development with the aim to create certainty in order to advance projects in a timely way while ensuring that First Nations are actively involved in all phases of the projects located in their territory.

SAGAMOK ANISHINABEK SECURES HAULAGE CONTRACT FOR TOTTEM MINE

Northern Ontario Business – May 31

Z'Gamok Construction LP, a corporation owned by the Sagamok Anishnawbek First Nation, has secured the ore haulage contract for Vale's Totten Mine, located about 40 minutes southwest of Sudbury. In a May 30 news release, Sagamok Chief Nelson Toulouse heralded the news as a historic development for the First Nation, noting the new agreement would enable "greater control over the contract, create more job opportunities and revenue for Sagamok Anishnawbek."

'I'M SPEAKING FOR MARGINALIZED PEOPLE': FIRST NATIONS NDP MPP ON HIS ROLE AND RELATIONSHIP WITH DOUG FORD

Globe and Mail – June 3

The topic at hand during the impromptu meeting with Mr. Ford, which was also attended by Mr. Rickford, was the Ring of Fire mining project. Mr. Ford recently referenced the meeting to reporters and said his government will not ignore the concerns of Indigenous leaders when it comes to development. Mr. Mamakwa called the meeting "a start," adding that Mr. Ford promised to visit Northern Ontario and meet with First Nations chiefs. The Globe was unable to reach the leadership of Eabametoong, Neskantaga and Aroland First Nations, who attended the meeting.

GOLDEN SHARE RECEIVED THE EXPLORATION PERMITS FOR OGOKI AND KAGIAMI

Newsfile – June 4

Golden Share Resources Corporation is pleased to announce that the Ministry of Energy, Northern Development and Mines has issued the necessary exploration permits for drilling targets within the Ogoki Project and the Kagiame Project, which are located in the traditional territory of Marten Falls First Nation. With the issuance of these 10 exploration permits, Golden Share is now able to make plans to drill the 14 of 15 possible kimberlite pipe targets of the Ogoki Project and 1 of 3 base metal targets of Kagiame Project. For information about Ogoki Project and Kagiame Project, please refer to the press releases dated July 31, 2017 and May 1, 2018. Golden Share recently signed an Exploration Agreement with Marten Falls First Nation. Please refer to the Press Release dated May 7, 2019.
